¹ Standard suppliers may transact Purchase Order, Order Confirmation, Advance Ship Notice, Invoice, and SES documents only. For all other document transactions (catalog, invoice status, goods receipt notice, payment remittance advice) you must have a Premium or Enterprise account. For a complete list of Standard and Enterprise Account Features, visit: <https://support.ariba.com/ariba-network-overview>

* Documents included in this count are: purchase order, invoice, service entry sheet, service entry sheet responses.

² Suppliers transacting under \$50,000 USD per year are not charged fees. Per-document fees are capped at \$500 USD. Currencies are in USD and may differ by region. For all regional amounts, refer to: <https://www.ariba.com/ariba-network/ariba-network-for-suppliers/subscriptions-and-pricing>

³ Document Transactions are defined as PO only or Non-PO Invoices or any combination of the following documents (PO, OC, ASN, Invoice, Invoice Status, Goods Receipt Notice, Payment Remit Advice)

⁴ If a relationship includes Service Entry Sheets (SES), all documents in that relationship will be charged at 0.35%.

⁵ Maximum fees per relationship are \$20,000 USD (plus any applicable subscription fee) except in some countries. For all regional amounts, refer to: <https://www.ariba.com/ariba-network/ariba-network-for-suppliers/subscriptions-and-pricing>
